When I Die

No Mercy

Forever and always
When I die, I'll keep on living for you
You give me strength when I start to worry
You lift me up when I'm feeling sorry
You're building me up with love and affection
When I'm in danger, you're my protection
And I'm the one you can depend upon
I'll always treat you right, never do you wrong
Just feel the love burning inside of me
It's gonna last for eternity
For eternity, for eternity
'Cause baby, I love you, ooh
Baby, I need you, yes, I do
And when I die, I keep on living
You'll always have my love seeing you through
I'll be your angel up in heaven
Forever all my love will shine on you
'Cause baby, I love you, ooh
Baby, I need you, yes, I do
Are you that someone you can believe in?
No one can take away what we're feeling

Our love is strong, it goes on forever
No one will ever love you better
And when they moan, I'll still be true to you
The seed of love lives inside of you
I'll be your angel up in heaven
And all my love will shine down on you
For eternity, for eternity
'Cause baby, I love you, ooh
Baby, I need you, yes, I do
And when I die, I keep on living
You'll always have my love seeing you through
I'll be your angel up in heaven
Forever all my love will shine on you
'Cause baby, I love you, ooh
Baby, I need you, yes, I do
And when I die, I keep on living
You'll always have my love seeing you through

I'll be your angel up in heaven
Forever all my love will shine on you
Baby, I love you, ooh
