

# The Plot

## Black Nate

He gets up late  
He gets upset  
And I watch the whole thing  
Happen from the foot of the bed  
Well, I could stay in bed all day  
Is that such an awful thing for me to say?  
That's a problem and it's any body's guess  
He's not impressed  
He's not impressed  
I'm so whoa, ohh  
I'm so whoa, ohh  
I'm so whoa, ohh  
When she gets home  
The door is open and it's hard to wait  
Outside when she is gone  
That's a problem and it's any body's guess  
He's not impressed  
He's not impressed  
I'm so whoa, ohh  
I'm so whoa, ohh  
I'm so whoa, ohh  
Oh, no  
Go out and you sleep  
You're hiding in the sheets  
But I work hard  
So we can have nice things  
You're not even dressed  
The house is such a mess  
He's not impressed  
He's not impressed  
I'm so whoa, ohh  
I'm so whoa, ohh  
I'm so whoa, ohh
