

# Sister Sweetly

## Big Head Todd And The Monsters

Ain't no getting up again  
She gonna bring you down  
Love gone up and jump again  
Turn it all around I'm goin' to the liquor store  
To get some peace of mind  
Something I ain't done before  
I can't seem to find Hold me please, Sister Sweetly  
Give to me a place in paradise  
Hold me please, Sister Sweetly  
And never, never leave me
