

# Drunken Sailor

## Paddy and the Rats

What do you do with a drunken sailor,  
What do you do with a drunken sailor,  
What do you do with a drunken sailor,  
    Earl-eye in the morning!

    CHORUS:

    Way hay and up she rises  
    Way hay and up she rises  
    Way hay and up she rises  
    Earl-eye in the morning  
    Shave his belly with a rusty razor,  
    Shave his belly with a rusty razor,  
    Shave his belly with a rusty razor,  
    Earl-eye in the morning!

    CHORUS

    Put him in the hold with the Captain's daughter,  
    Put him in the hold with the Captain's daughter,  
    Put him in the hold with the Captain's daughter,  
    Earl-eye in the morning!

    CHORUS

    What do you do with a drunken sailor,  
    What do you do with a drunken sailor,  
    What do you do with a drunken sailor,  
    Earl-eye in the morning!

    CHORUS

    Put him the back of the paddy wagon,  
    Put him the back of the paddy wagon,  
    Put him the back of the paddy wagon,  
    Earl-eye in the morning!

    CHORUS

    Throw him in the lock-up 'til he's sober,  
    Throw him in the lock-up 'til he's sober,  
    Throw him in the lock-up 'til he's sober,  
    Earl-eye in the morning!

    CHORUS

    What do you do with a drunken sailor,  
    What do you do with a drunken sailor,  
    What do you do with a drunken sailor,  
    Earl-eye in the morning!

    CHORUS

What do you do with a drunken sailor,  
What do you do with a drunken sailor,  
What do you do with a drunken sailor,  
    Earl-eye in the morning!  
    CHORUS
