Bring It Back Again (Live Version-Barcelona)

Stray Cats

Bring it back. Bring it back. Bring it back again
I cruise around with the radio on
Make me feel alright
Make me feel alright
Wide open highway and the sun going down
Make me feel alright
Make me feel alright
I grab my guitar and pick out a song
You wear that pretty dress we never could go wrong
We had no money but never seem to care
Our love took us everywhereBring it back again
Bring it back. Bring it back. Bring it back again
Bring it back againI cruise around in a rag top ride
Make me feel alright
Make me feel alright
But now I got no one by my side
Make me feel alright
Make me feel alright
Though I never share my memories
No one by my side to comfort me
I need your little hand to hold in mine
Got to hold you all the timeBring it back again
Bring it back. Bring it back. Bring it back again
Bring it back againIs it any wonder, why I love you so
Oh you were my first love
When your arms met mine
You just stole my heart for all timeBring it back again
Bring it back. Bring it back. Bring it back again
Bring it back againI cruise around with the radio on
Make me feel alright
Make me feel alright
Wide open highway with the sun going down
Make me feel alright
Make me feel alright
Though I know I'm the only one to blame
I've had enough of this sorrow and pain
I know that deep down you still feel the sameBring me your love back again
Bring it back again
Bring it back. Bring it back. Bring it back again

Bring it back again
Come on bring it back again
Bring it back. Bring it back. Bring it back again
Bring it back again
Come on bring it back again
Bring it back again
