Even Me

Yolanda Adams

Lord, I hear of showers of blessings
Thou art scattering full and free
Showers the thirsty so refreshing
Let some drops now fall on me
Pass me not, oh, gentle Savior
Sinful though my heart may be
I am longing for Your favor
Whilst Thou art blessing
Oh, Lord come on and bless me
Even me Lord
Even me
Even me Lord
Even me
Let some drops, let some drops
Whilst Thou art blessing
Oh, Lord stop by and bless me
Oh, stop by Lord, yes, and bless me
Bless me
Direct me
Even me Lord
I need you to come on down and bless me
Sinful though my heart may be
I need you to come down and bless me
Yes
While whilst Thou art blessing
While you are in the blessing business today
Not tomorrow, I need You today
Yeah
Bless me
Protect me
Direct me
Even me Lord
To stop by, just drop by
Oh, Lord, Lord, Lord, Lord, Lord, Lord, Lord
Bless me even me, even me Lord
Yeah, I need a blessing
I need a blessing, I need a blessing Lord
