

Creature Fear (Live at Haldern)

Bon Iver

I was lost but your fool
Was a long visit wrong?
Say you are the only So many foreign worlds
(So relatively fucked)
So ready for us
So ready for us,
The creature fear I was teased by your blouse
Spit out by your mouth
I was loud by your lowered
Seminary sold Tear on tail on
Take all on the wind on
The soft bloody nose
Sign another floor The so many territories
Ready to reform
Don't let it form us
Don't let it form us
The creature fear So did he foil is 'own?
Is he ready to reform?
So many torahs
So many for us
The creature fear
