

# Hate The Playa

Imx

Stormy day, platinum status, 2001  
Gon' make you dance, come on  
Gon' make you dance, come on  
Gon' make you dance, come on  
I ain't lookin' at your girlfriend  
But she's peepin' me  
She saw me good lovin'  
I broke her  
I C E was on my neck  
You started to suspect  
Your girl was thinking damn  
Who could I be?  
The situation's clear to me  
(I know)  
That your baby girl is feelin' me  
(For sure)  
And you wanna pick a bone with me  
(But what the)  
You need to check your girl and leave me be  
Now you wanna put the blame on me  
(I see)  
But it's you that got to deal with this  
(Now what)  
Instead of tryin' to pick a fight with me  
(But what the)  
You need to check your girl and leave me be  
Excuse me, I don't know the reason  
Why you're hatin' me  
(Why you're hatin' me?)  
You must be doin' somethin' wrong  
'Cause she got her eyes on me  
And for your information  
I don't even know her name  
(Know her name, her name)  
You need to stop and check yourself  
Don't hate the playa, hate the game  
Why you frontin' for your man?  
Girl, I don't understand  
You asking all these questions

That's in you  
Call yourself hurting me, me  
I was only passing  
That's when he saw you  
Kissin' on me  
The situation's clear to me  
(I know)  
That your baby girl is feelin' me  
(For sure)  
And you wanna pick a bone with me  
(But what the)  
You need to check your girl and leave me be  
Now you try to put the blame on me  
(I see)  
But it's you that got to deal with this  
(Now what)  
Instead of tryin' to pick a fight with me  
(But what the)  
You need to check your girl and let me be  
Excuse me, I don't know the reason  
Why you're hatin' me  
(Why you're hatin' me)  
You must be doin' somethin' wrong  
'Cause she got her eyes on me  
(Got her eyes on me)  
And for your information  
I don't even know her name  
(Even know her name)  
You need to stop and check yourself  
Don't hate the playa, hate the game  
(Hate the game)  
Excuse me, I don't know the reason  
Why you're hatin' me  
(Yeah, yeah)  
You must be doin' somethin' wrong  
'Cause she got her eyes on me  
(Got her eyes)  
And for your information  
(For your information)  
I don't even know her name  
(I don't know her name)  
You need to stop and check yourself  
Don't hate the playa, hate the game  
Why you keep hatin' on me  
If everything you see

That your girl could be? Yeah  
Excuse me, I don't know the reason  
Why you're hatin' me  
(Why you're hatin' me?)  
You must be doin' somethin' wrong  
'Cause she got her eyes on me  
(Got her eyes on me, yeah)  
And for your information  
I don't even know her name  
(I don't even know her name)  
You need to stop and check yourself  
Don't hate the playa, hate the game  
Excuse me, I don't know the reason  
Why you're hatin' me  
(Why you're hatin' me?)  
You must be doin' somethin' wrong  
'Cause she got her eyes on me  
(Doin' somethin' wrong)  
And for your information  
(For your information)  
I don't even know her name  
(I don't know her name)  
You need to stop and check yourself  
Don't hate the playa, hate the game
