

All Over the World (Showdown - Early version)

Electric Light Orchestra

Everybody all around the world, gotta tell you what I just heard
There's gonna be a party all over the world I got a message on the radio, but where it came from I don't really
know

And I heard these voices calling all over the world All over the world, everybody got the word
Everybody everywhere is gonna feel tonight Everybody walkin' down the street, everybody movin' to the beat
They're gonna get hot down in the U.S.A.

(New York, Detroit, L.A.) We're gonna take a trip across the sea, everybody come along with me
We're gonna hit the night down in gay Paris All over the world

Everybody got the word
Everybody everywhere is gonna feel tonight All over the world London, Hamburg, Paris, Rome, Rio, Hong
Kong, Tokyo

L.a., New York, Amsterdam, Monte Carlo, Shard End and All over the world
Everybody got the word

Everybody everywhere is gonna feel tonight Everybody all around the world,
Gotta tell you what I just heard

Everybody walkin' down the street,
I know a place where we all can meet

Everybody gonna have a good time,

Everybody will shine till the daylight All over the world, everybody got the word
Everybody everywhere is gonna feel tonight All over the world, everybody got the word

All over the world, everybody got the word, word, word, word, word, word, word

All over the world, everybody got the word
