# Because I Love You

## Masters Apprentices

It's because i love you
Not because were far apart
It's because i love you
And because your near my heart

It's because i miss you
Oh how long it seems to be
It's because i miss you
Thoughts of you come back to me

Once we walked together
From the fields up to the door
Promised love forever
I remember that day still
It's because i love you
I'll come home to you one day
It's because i love you
In my thoughts you'll always stay

Ooh do what you wanna do
Be what you wanna be yeah
