

By the Sea

Suede

She can walk out anytime anytime she wants to walk out that's fine
She can walk out anytime anytime she feels that life has passed her

by

And when I start my new life I won't touch the ground

I'm gonna try hard this time not to touch the ground.

He can walk out anytime anytime he wants to walk out that's fine

He can walk out anytime across the sand into the sea into the

brine

And when I start my new life I won't touch the ground,

I'm gonna try hard this time not to touch the ground.

So we sold the car and quit the job

and shook some hands and wiped the make-up right off,

And we said our good-byes to the bank

left Seven Sisters for a room in a seaside shack,

And when I start my new life I won't touch the ground,

I'm gonna try hard this time not to touch the grounds

...it's by the sea we'll breed

...into the sea we'll bleed...
