When I look into Your holiness  
When I gaze into Your loveliness  
When all things that surround become shadows  
In the light of You When I've found the joy of reaching Your heart

When your will becomes enthroned in my life  
When all things that surround me become shadows In the light of You

I worship You I worship You  
The reason I live is to worship You I worship You I worship You (You are my God) I worship You The reason I  
live is to worship You
