Another Lonely Day

Ben Harper & The Innocent Criminals

Yes indeed I'm alone again
And here comes emptiness crashing in
It's either love or hate, I can't find in between
'Cause I've been with the witches and I have been with a queenIt wouldn't have worked out any way
So for now it's just another lonely day, yeah
Further along we just may
But for now it's just another lonely day, hey yeahI wish there was something I could say or do
I can resist anything but the temptation from you
But I'd rather walk alone than chase you around
I'd rather fall myself than let you drag me on downIt wouldn't have worked out any way
So for now it's just another lonely day, hey hey
Further along we just may, hey hey
But for now it's just another lonely day, yeah
For now it's just another lonely day, hey heyYesterday seems like a life ago
'Cause the one I loved, today I hardly know
You, I held so close in my heart, oh dear
Grow further from me with every falling tearIt wouldn't have worked out anyway
So for now it's just another lonely day, hey
Further along we just may, hey hey
But for now it's just another lonely day, hey heyFor now it's just another lonely day, hey hey
For now it's just another lonely day, yeah
