Feeling Good Is Good Enough

Matthew E. White

Baby will you come home with me?
We made a desert love, we called it peace.
Oh, I wanna see you this morning.
Oh, I wanna see you with your beautiful lashes open.
Honey will you come home with me?
Time made us suffer loaded gardens to our knees.
I know we didn't make it, but sometimes late at night I like to fake it.
Honey will you come home with me?
Let me fall into your arms another time.
Let me fall into your arms.
Is feeling good good enough?
Are you feeling good enough baby with me tonight?
Are you with me tonight?
Is feeling good good enough?
Feeling good is good enough baby for me tonight.
Are you with me tonight?
One last dance tonight, baby I feel like looking at my lady one last time.
One last chance tonight, honey honey honey I feel like looking at my baby one last time.
Is feeling good good enough?
Are you feeling good enough?
Are you with me tonight?
Is feeling good good enough?
Feeling good is good enough, are you with me tonight?
Is feeling good good enough?
Are you feeling good enough?
Are you with me tonight?
Feeling good is good enough, are you feeling good enough?
Are you with me tonight?
