Parallel (Dean Fertitaâ€™s cover)

Jack White

We must be thieves
Of each other's mindsLike we're on some parallel
I know you all too well
On some parallel
I know you all too wellWe must be side by side
In the vacant timeLike we're on some parallel
I know you all too well
On some parallel
I know you all too well
Desperately talking slow
The creases are in your clothes
I don't have to ask, I know, I know you
Don't like to be left alone too long in suspenseWe will be thieves
Of each other's minds
'Cause we're on some parallel
I know you all too well
On some parallel
I know you all too wellWe don't have to separate to keep ourselves in place
We don't have to separate to keep ourselves in place
We don't have to separate to keep ourselves in place
