Tears

Jimmy LaFave

Tears, tears
Tears they may fall
Oh baby
This old world has seen them all
Love, love
Love may come and go
Oh baby
Your heart will always know
So if you're feeling so sad tonight
Because things just really
Haven't worked out right
Remember this
There's a guiding light
It'll help you through
It'll be all right
And see, you'll see
See what faith can do
Oh baby
It's something that we all go through
So if you're all alone tonight
Because something, it just
Didn't turn out right
Remember this
There's a guiding light
It'll get you through
It'll be all right
And tears, tears
Tears they may fall
Oh baby
This old world has seen them all
