Labrador

BlÃ¸f

Daisy, you
Shouldn?t do the things you do
But you?re just so incapable of changing.
You lie so well.
I could never even tell
What were facts, in your art for rearranging.
But I came back for more
And you laughed in my face and you rubbed it in.
Cause I?m a Labrador
And I run when the gun drops the dove again
When we first met, I was glad to be your pet
Like a Lab I once had that we called Maisey
But fetching sticks
Was the best I had for tricks
You got bored, you got mad then you got crazy.
But I came back for more
And you laughed in my face and you rubbed it in
Cause I?m a Labrador,
And I run when the gun drops the dove again

Daisy, Daisy, give me your answer.
Daisy, Daisy, do.
Remember good old Maisey?how she waited at the stairs for you.
Daisy, Dear, I could almost shed a tear
But let?s shine, in the time we have remaining
You?re a tough old gal, but a dog is just a pal
And believe me, my dear, I?m not complaining
Cause I came back for more
Cause I knew even you did
The best you could.
I?m a Labrador, and it?s me who could see
It was understood
I come back for more
Daisy, Daisy, do.
Cause I?m a Labrador.
Yeah I come back for more.
What a Labrador.
Do, do, do, do, do, do, do.
