Lottery

Love Equals Death

Strangers wait for their chance to be safe
At home saying grace
Night falls and the winter air winds through
Cracked windows inviting the intrudeWe wait for the lottery
We wait in vain
We wait for our chance to be safe
We wait in vainHow much more time do you have to waste?
Of your mortality
This is your life, live it while you can
There are no guaranteesWe wait for the lottery
We wait in vain
We wait for our chance to be safe
We wait in vainHow much more time do you have to waste?
