Running Game

Allen Stone

Well, I've been looking for you all morning,
I ain't heard a word from you yet,
I've been looking for you all morning,
You've been writing bad checks, yeah,
You've been writing bad checks,And I've been looking for you all morning,
You ain't ever picked up your phone,
I've been looking for you all morning,
You've been leaving me alone,
You've been leaving me alone, yeah,
You've been leaving me alone,You know the reason I'm calling you,
You've got to explain your rules,
'Cause people, they've been talking,
Saying you've been running game on me, too,
And I've been looking for you all morning,
I just need a bit of your time,
I've been looking for you all morning,
I've been left behind, yeah,
And I've been left behind,And I've been trying to call you all morning,
I don't know what else to do,
I've been trying to call you all morning,
But I ain't getting through, no,
But I ain't getting through,'Cause you know the reason I'm calling you,
You've got to explain your rules,
'Cause people, they've been talking,
Saying you've been running game on me,
You've been running the game,
Far too long,
And I've been so ashamed,
I can't go on,
You've been running the game,
Far too long,
And I've been so ashamed,
I can't go on, oh,'Cause you know the reason I'm calling you,
You've got to explain your rules,
'Cause people, they've been talking,
Saying you've been running game on me,You know the reason I'm calling you,
You've got to explain your rules,
'Cause people, they've been talking,
Saying you've been running game on me, too.
