No Time for It

Fantasia

[Verse 1]
They gon' talk about you
Of course they gon' complain
They're not used to flexing
The spaces are not diamond
And diamonds wait until time and
You feel some type of way
She got shit to say
They gon' say some things that don't
Do nothing but remind me
And if they're bringing up problems[Chorus]
There's no time for it
You wanna tell me how it is
But there's no time for it
You wanna tell me how you feel
But there's no time for it
Do you thing, get your change
By the way don't you think I'mma care cause I'm not
Got my mind on my money
And the hate don't really matter, nah
There's no time for it
Oh-oh, there's no time for it
No time, no time, no time[Verse 2]
I don't care for gossip
What they gonna say?
Just got off the plane
I'm strictly focused on commas
And dollars signs in my pockets
So I been out the way
Think I've been the same
You can't hang today
There's nothing fake about it
For the ones that's causing me problems[Chorus]
There's no time for it
You wanna tell me how it is
But there's no time for it
You wanna tell me how you feel
But there's no time for it
Do you thing, get your change

By the way don't you think I'mma care cause I'm not
Got my mind on my money
And the hate don't really matter, nah
There's no time for it
Oh-oh, there's no time for it
No time, no time, no time
There's no time for it
You wanna tell me how it is
But there's no time for it
You wanna tell me how you feel
But there's no time for it
Do you thing, get your change
By the way don't you think I'mma care cause I'm not
Got my mind on my money
And the hate don't really matter, nah
There's no time for it
(I don't have no time)
There's no time for it
Ah yeah, yeah, yeah
No time, no time, no time[Bridge]
No time, no time
No time, no time
I got no time
Can I get one time if you're outstanding
One time if you get filthy
Bitch, no time for the haters tripping
No time for the haters tripping
Can I get one time if you're outstanding
One time if you get filthy
Bitch, no time for the haters tripping
No time for the haters tripping[Chorus]
There's no time for it
You wanna tell me how it is
But there's no time for it
You wanna tell me how you feel
But there's no time for it
Do you thing, get your change
By the way don't you think I'mma care cause I'm not
Got my mind on my money
And the hate don't really matter, nah
There's no time for it
(Have no time for it, no time for it)
No time, no time, no time
