Mclusky

Come out quick and count the corpse
I'm sure we killed a family
Keep your killing clean, my love
Just keep your killing cleanCome out quick and count the corpse
I'm sure we killed a family
Keep your killing clean, my love
Just keep your killing cleanCome out quick and name the dead
I'm sure we got a Scrabble score
Keep your killing clean, my love
Just keep your killing cleanCome out quick and name the dead
I'm sure we got a Scrabble score
Keep your killing clean, my love
Just keep your killing cleanGood advice
Sons and lovers, western armies
