

# Rattlesnake Rumble

## Krokus

Standing at your window  
Honey i've been here before  
Waiting for the chance  
Darling I'm checkin' your door I want you in the day  
I need you in the night  
Come on  
I'm rolling on the floor  
Don't keep me hangin' on  
So long that's right  
Mama... I got the rattlesnake rumble  
Mama... I got the rattlesnake blues  
Yeah! Try to hold you close  
Baby you keep sleepin' away  
Need another dose  
Strike me in the heart again Please don't be so cruel  
Come and kiss away my pain  
Oh yeah!  
Take me in your arms  
Let me feel your magic charm tonight  
Alright! Mama... I got the rattlesnake rumble  
Mama... I got the rattlesnake blues  
Mama... oh yeah!  
Mama... ooooooh  
Mama... I got the rattlesnake rumble  
Mama... I got the rattlesnake...  
...The rattlesnake...  
...The rattlesnake rumble
