Good Man, Feeling Bad (Acoustic Version)

Tom Cochrane

I can't eat
I can't sleep
I'm so vain
I'm sometimes so weakI didn't mean to hurt you
Sometimes I just don't think enough
I'm a sane man gripped by my duty
Something lately has really gotten to meI tell myself that things don't change
And all the time I know that they do
I don't want to conquer no worlds
Just live in your world with prideI hope that you can understand
That I'm a good man, feeling bad
Lights on the highway, hypnotize me
Like sometimes my pride misguides meYou cross that line when you think
That no one listens they've written you
Off the page
I don't want to conquer no worldsJust live in your world with pride
I hope that you can understand
That I'm a good man, feeling bad
I go to turn to you nowDon't walk away from me in pride
I hope that you can understand
That I'm a good man feeling bad
I didn't mean to make you so sadI'm a good man, feeling bad
We can make it like it was before
It can be like it was before
Don't walk away
