

# I Wanna Know

## Avant

Oh oh  
I want you baby  
I wanna know if you want me baby, tell me, babe  
Do you feel the need for love  
I wanna know if you want me baby, tell me, babe  
Do you feel the need for love  
Every night I just dream about you  
I try to hold myself together  
But there's so much that I, I wanna do  
Being with you everyday is so beautiful  
That's why I want you to let me know  
I wanna know if you want me baby, tell me babe  
Do you feel the need for love?  
I wanna know if you want me baby, tell me babe  
Do you feel the need for love?  
I like when you just sit there and you call my name  
That let me know that I am on top of my game  
Fantasizing on my job, yeah, everyday  
Can't wait to go home so I can love you in different ways, yeah  
I wanna know if you want me baby, tell me babe  
Do you feel the need for love?  
I wanna know if you want me baby, tell me babe  
Do you feel the need for love?  
Is it me that you want babe? Because you're all that I need  
I get excited when I think about you, baby  
So don't leave me, don't leave me, no no  
Baby, please don't leave me, I want you lady, I want you  
I want you, yes, I want you baby, oh  
I wanna know if you want me baby, tell me babe  
Do you feel the need for love?  
I wanna know if you want me baby, tell me babe  
Do you feel the need for love?  
I wanna know if you want me baby, tell me babe  
Do you feel the need for love?  
I wanna know if you want me baby, tell me babe  
Do you feel the need for love?
