Too Young

Sal Mineo

They try to tell us were too young
Too young to really be in love
They say that loves a word
A word weve only heard
But cant begin to know the meaning of

And yet were not too young to know
This love will last though years may go
And then some day they may recall
We were not too young at all

And yet were not too young to know
This love will last though years may go
And then some day they may recall
We were not too young at all
