

# Too Young

Sal Mineo

They try to tell us were too young  
Too young to really be in love  
They say that loves a word  
A word weve only heard  
But cant begin to know the meaning of

And yet were not too young to know  
This love will last though years may go  
And then some day they may recall  
We were not too young at all

And yet were not too young to know  
This love will last though years may go  
And then some day they may recall  
We were not too young at all
