

She's a Rebel

Green Day

She's a rebel
She's a saint
She's salt of the earth
And she's dangerousShe's a rebel
Vigilante
Missing link on the brink
Of destructionFrom Chicago to Toronto
She's the one that they
Call old whats her nameShe's the symbol
Of resistance
And she's holding on my
Heart like a hand grenadeIs she dreaming
What I'm thinking
Is she the mother of all bombs
Gonna detonateIs she trouble
Like I'm trouble
Make it a double
Twist of fate
Or a melody thatSings the revolution
The dawning of our lives
She brings this liberation
That I just can't define
Nothing comes to mindShe's a rebel
She's a saint
She's salt of the earth
And she's dangerousShe's a rebel
Vigilante
Missing link on the brink
Of destructionShe's a rebel
She's a rebel
She's a rebel
And she's dangerous
She's a rebel
She's a rebel
She's a rebel
And she's dangerous
