

That's the Way I Like It

Backstreet Boys

Hey yeah That's the way I like it
Somebody told me that you're not my kind
So have I lost my mind?
You keep on doing all the things I like
You've got me hypnotized
But that's the way I like it
Girl you make me wanna move
It's the price I got to pay
For all the things you do
But I like it
Gotta listen to the groove
And you gotta listen well
The way you do it
That's the way I like it
Everybody now
I like it
Everybody now
That's the way I like it
Everybody come on
I like it
Everybody come on
That's the way I like it
Oh mystery lady, you've got somethin' I like
Tell me you're here to stay (ooh yeah)
You're dangerous, oh baby
Could you do me right?
Will you come out to play?
Cause that's the way I like it
Gotta listen to the groove
And you gotta listen well
The way you do it
That's the way I like it
Everybody now
I like it
Everybody now
That's the way I like it
Everybody come on
I like it
Everybody come on
That's the way I like it
Everybody come on
I like it
Everybody come on
Gotta listen to the groove
And you gotta listen well
The way you do it
That's the way I like it

Hey yeah That's the way that I like it, that is the way I like it [Repeat: x3]

Everybody now, everybody now

That's the way that I like it, that is the way I like it

Everybody come on, everybody come on

That's the way I like it

That's the way that I like it, that is the way I like it

Everybody now, everybody now

That's the way I like it

That's the way that I like it, that is the way I like it

Everybody come on, everybody come on

That's the way I like it
