Helpless

Wishbone Ash

Ooh, there's something happening, ooh.
Ooh, there's something happening, ooh. (repeat)
Won't you take my love forever,
Won't you take my love for you,
Won't you take my love together,
Won't you give me your love too?I will give you my love gladly
And I hope you'll give me yours.
Somehow we can live together -
Could not love you any more.I'm so helpless, helpless -
I can feel you're helpless too. (repeat)
I'm so helpless, helpless -
So helpless without you.
