After The Love Has Gone

Earth, Wind & Fire

For a while, to love was all we could do
We were young and we knew
And our eyes were alive
Deep inside we knew our love was trueFor a while, we paid no mind to the past
We knew love would last
Every night somethin' right
Would invite us to begin the danceSomethin' happened along the way
What used to be happy was sad
Somethin' happened along the way
And yesterday was all we hadAnd oh, after the love has gone
How could you lead me on
And not let me stay around
Oh, oh, oh, after the love has gone
What used to be right is wrong
Can love that's lost be foundFor a while, to love each other with all
We would ever need love, was strong for so long
Never knew that what was wrong, oh baby wasn't right
We tried to find what we had till sadness was all we shared
We were scared, this affair would lead our love intoSomethin' happened along the way
Yesterday was all we had
Somethin' happened along the way
What used to be happy is sadSomethin' happened along the way
Oh, yesterday was all we had
And oh, after the love has gone
How could you lead me on
And not let me stay aroundOh, oh, oh, after the love has gone
What used to be right is wrong
Can love that's lost be foundOh, oh, oh, oh, oh ,oh, after the love has gone
What used to be right is wrong
Can love that's lost be found
Oh, woah, woah, after the love has gone
What used to be right is wrong
Can love that's lost be foundOh, woah, woah, after the love has gone
What used to be right is wrong
Can love that's lost be found
Oh, woah, woahOh, woah, woah, after the love has gone
What used to be right is wrong
Can love that's lost be foundWoah, woah, woah, after the love has gone
What used to be right is wrong

Can love that's lost be found
Woah, woah woah
