

Home On Monday

Little River Band

Can you guess where I'm calling from?
The Las Vegas Hilton
I know it's hard to hear
It's just the echo on the line
Yes, that's right I'm calling from
The Las Vegas Hilton
I just wanna say that I'm feeling fine

I'll be home on a Monday
Somewhere around noon
Please don't be angry
I'll be back with you real soon

I was hoping to catch a glimpse
Of the man from Memphis
They told me that he had gone
Never leaving a trace
I just could never get involved
With those one armed bandits
Sure am craving for the smile on your face

You looked so lovely
When I left I nearly didn't go
Twelve thousand miles is
Such a long way
Help me get to grips with

Hollywood - you're getting through to me
Hollywood - you're in my movie

Can you guess where I'm calling from?
Yes that's right I'm calling from
The Las Vegas Hilton
