

Gang Bang

[u.t.p.](#)

Like a bitch out of order

Like a bat out of hell

Like a fish out of water

I'm scared, can't you tell

Bang Bang

Bang Bang

I thought you were good

But you painted me bad

Compared to the others

You're the best thing I had

Bang Bang, shot you dead

Bang Bang, shot you dead

I thought it was you

And I loved you the most

But I was just keeping

My enemies close

I made a decision, I would never look back

So how did you end up with all my jack?

Bang Bang, shot you dead

Bang Bang, shot you dead (in the head)

Bitch out of order

Bat out of hell

Fish out of water

I'm scared, can't you tell

Bang Bang, shot you dead

Bang Bang, shot you dead

I made a decision, I would never look back

So how did you end up with all my jack?

Bang Bang, shot you dead

Bang Bang, shot you dead

Bang Bang, shot you dead, shot my lover in the head

Bang Bang, shot you dead and I have no regrets

Bang Bang, shot you dead in the head

Bang Bang, shot you dead, shot my lover in the head

And then I discovered

It couldn't get worse

You were building my coffin

You were driving my hearse

Bang Bang, shot you dead

Bang Bang, in the head
I thought it was you
And I loved you the most
But I was just keeping
My enemies close

I made a decision, I would never look back
So how did you end up with all of my jack?

Bang Bang, shot you dead, in the head
Bang Bang, shot you dead, my lover in the head
Bang Bang, shot you dead and I have no regrets
Bang Bang, shot you dead, in the head
Bang Bang, shot you dead, shot my lover in the head

(I need you to die for me baby)

You have to die for me baby

That's right, you have to die for me baby

How could I move on with my life

If you didn't die for me baby

If you didn't die for me baby

(I need you to die for me baby)

Bang Bang, shot you dead, shot my lover in the head
Bang Bang, shot you dead, shot my lover in the head
Bang Bang, shot you dead, shot my lover in the head,
Now my lover is dead, and I have no regrets

He deserved it

And I'm going straight to hell

And I've got a lot of friends there

And if I see that bitch in hell

I'm gonna shoot him in the head again

Cause I wanna see him die

Over and Over and Over and Over and Over and Over and Over and Over

Now drive bitch

I said drive bitch

And while you're at it, die bitch

That's right drive bitch

Now drive bitch

I said drive bitch

And while you're at it, die bitch

That's right drive bitch

Now if you're gonna act like a bitch

Then you're gonna die like a bitch
