

# Bend Down Low

## Bob Marley & The Wailers

Bend down low  
Let me tell you what I know  
Bend down low  
Let me tell you what I know now Oh, fisherman row  
And then you reap just what you sow now  
Won't tell you all I know  
Well you've got to let me go now  
All you've got to do Bend down low  
Let me tell you what I know  
Bend down low  
Let me tell you what I know You keep on knockin', but you can't come in  
I get to understand you been livin' in sin  
But if you love me, woman, walk right in  
I've got a notch for your safety-pin Bend down low  
Let me tell you what I know  
Bend down low  
Let me tell you what I know Keep on knockin', but you can't come in  
I get to understand you been livin' in sin  
But walk right in, honey, sit right down  
I will keep on lovin' you, Ill play the clown But bend down low  
Let me tell you what I know  
Bend down low  
And let me tell you what I know now I said ya keep on knockin', but you can't come in  
Somewhere I understand youve been living in sin  
But walk right in, honey, sit right down  
Oh lovin' you, I play, lovin ya
