You Learn About It

The Gathering

Now that we're through
The hell with you
We don't mind
We just give it a sighWe hardly knew
What you were capable
Of doing
But why don't you give it a tryOh, you learn about it
Oh, you harvest (until you can make no more)
All that's eating inside
All that's eating insideWe hardly knew
What you were capable
Of doing
But why don't you give it a tryOh, you learn about it
Oh, you harvest (untill you can make no more)
All that's eating inside
All that's eating insideCan't take no more..Oh, you learn about it
Oh, you harvest (untill you can make no more)
All that's eating inside
All that's eating insideCan't take no more..
