Runaway Love

En Vogue

Are you ready to roll?
Funky divas, with a cool isle stroll
Sending smooth vibes to all our great fans
It feels good to be grooving again
Chocolate cream to me baby so sweet to me
Like some honey to a honey bee
I am drawn to you baby like a strong magnet oh
Once I'm there, there's no turning back
There is no real excuse, for take this abuse
I keep running back, taking slack don't know what to say or to do
It's amazing, but I'm not crazy
I can't win it's a sin, so I feel I have to fight out
(Runaway love)
Like a train on open tracks now
(Runaway love)
It's too hard to turn it back now
(Runaway love)
Feels good without a doubt yeah
(Runaway love)
Has to stop before it turns me out
Ooh I'm not qualified to put up with games with out
I've been hurt hard lately
I'm not for being used no more just a little lovin'
It's like a drug and I'm a drug addict
I just don't know why I just can't let go
I can't walk away, fade away, everyday my love grows and grows
It's 'cause of sickness or is it weakness should I cope? Is there hope?
All I know is it's hard to go on
(Runaway love)
(Runaway love)
Baby

(Runaway love)
Feels good without a doubt yeah
(Runaway love)
Has to stop before it turns me out
High take me, take me, take me higher, higher
High oh, take me
High take me, take me, take me higher, higher

High oh, take me
High take me, take me, take me higher, higher
High oh, take me
High take me, take me, take me higher, higher
High oh, take me
(Runaway love)
Like a train on open tracks yeah
(Runaway love)
It's too hard to turn it back oh
(Runaway love)
Ooh feels good without a doubt yeah
(Runaway love)
Has to stop before it turns me out
(Runaway love)
Ooh yeah, Yeah
(Runaway love)
Ooh just don't run away love
(Runaway love)
Feels good without a doubt baby
(Runaway love)
Has to stop before it turns me out
Runaway love
Runaway love
