

# Monstrosity

## Meshuggah

Skyline draped in shimmering red  
Irradiant and treacherous  
Neon prophecies hail the end, the capital of piety  
Totalitarianopolis, city of dread  
The glorious streets of dystopia continuously running red  
This is where self is relinquished  
Autonomy sacrificed  
The idolatry of tyrants compulsory  
Welcome all to MonstroCity where norm is that of the insane  
All is illusion in MonstroCity  
Bow to it, it knows your name  
Relishing the idea of damnation  
"The wailing and gnashing of teeth"  
They know for sure where judgment's due  
"What's above and what's beneath"  
This is where we fail, where the self-righteous reign  
The empire of imaginary ghosts  
This is blind credulity's domain  
MonstroCity  
In here everyone knows "the truth"  
Which unforgiving icon is real  
Intolerance and prejudice saturates their zeal  
This is where self is relinquished  
Autonomy sacrificed  
The idolatry of tyrants compulsory  
Welcome all to MonstroCity where norm is that of the insane  
All is illusion in MonstroCity  
Bow to it, it knows your name
