

Queen Anne's Revenge

Flogging Molly

Uh
Uh You can't see the demons
Tell the demons come callin' for you
You're deaf to their screamin'
They're standin' right behind you Blind to flames glowin'
Till they're growin' all around you
Numb to fangs grippin'
Until they're rippin' into you You're miles from safe harbor
Run, run, run, run, run away
The fire has reached starboard On the Queen Anne's revenge
Skull and bones and a serpents head
I'm dancin' with the madmen
On the Queen Anne's revenge
Have a gargle with your demons and me Walked the plank of S.S. Seasick
Survived to only continue the curse
Marooned on a small sandy island
With neither bird, beast nor herb Drums started beatin'
None there but the sun and the flu
An the horns of the demon
No time to decide what to do You have to do things your own way
Run, run, run, run, run away
You'll have to find out the hard way On the Queen Anne's revenge
Skull and bones and a serpents head
I'm dancin' with the madmen
On the Queen Anne's revenge
Have a gargle with your demons and me Drums started beatin'
None there but the sun and the flu
You can't see the demons
Until the demons come callin' for you On the Queen Anne's revenge
Skull and bones and a serpent's head
I'm dancin' with the madmen
On the Queen Anne's revenge On the Queen Anne's revenge
Skull and bones and a serpent's head
Are dancin' with the madmen
On the Queen Anne's revenge
Have a gargle with your demons and me
(Queen Anne's revenge)
Have a gargle with your demons and me
(Queen Anne's revenge)

Have a gargle with your demons and me
(Ohey)
