one sweet day

Lyn

Sorry, I've never told you, all I wanted to say
And now it's too late to hold you
'Cause you've flown away
So far awayNever had I imagined
Living without your smile
Feelin' and knowing you, hear me
It keeps me alive, aliveAnd I know you're shining down on me from Heaven
Like so many friends we've lost along the way
And I know eventually we'll be together
One sweet day
Eventually I'll see you in HeavenDarling, I never showed you
Assumed you'd always be there
I, I took your presence for granted
But I always cared
And I miss the love we sharedI know you're shining down on me from Heaven
Like so many friends we've lost along the way
And I know eventually we'll be together
One sweet day
Picture a little scene from HeavenAlthough, the sun will never shine the same
I'll always look to a brighter day
Yeah, Lord, I know, when I lay me down to sleep
You will always listen as I prayAnd I know you're shining down on me from heaven
Like so many friends we've lost along the way
And I know eventually we'll be together
One sweet dayAnd I know you're shining down on me from Heaven
Like so many friends we've lost along the way
And I know eventually we'll be together
One sweet daySorry, I never told you
All I wanted to say
