

# Sing Me A Song Of The Islands

**Bing Crosby**

Sing me a song of the islands  
My serenade that the trade winds blow  
Sing me a song of the islands  
Where hearts are high and the moon is low.

Where wripling waters seem to say Aloha au-I-o-ei  
Bring me the frangrance of ginger  
Strum your guitars while I dream away  
Then sing me a song of the islands Aloha au-I-o-ei.

Where wripling waters seem to say Aloha au-I-o-ei  
Bring me the frangrance of ginger  
Strum your guitars while I dream away  
Then sing me a song of the islands Aloha au-I-o-ei
