

# On'n'On (with Morgan Phalen)

## Justice

Before day break there was none  
And as it broke there was one  
The Moon, the sun, it goes on 'n' onThe winter better was warm  
The summer children were born  
And so the story goes on 'n' onCome woman if your life beats  
Those we buried with the house keys  
Smoke and feather where the fields are green  
From here to eternityCome woman on your own time  
Far, far, far from the virgin vine  
Rising out from the dead leaves  
Come back to me  
Oh, sing your favorite song  
Left to tears  
Dreams it goes and then onA vessel in the bloodline  
The 13th zodiac sign  
A stitch in time it goes on 'n' onSomeday the grapes will be wineAnd someday you will be mine  
And so the story goes on 'n' onCome woman if your life beats  
Those we buried with the house keys  
Smoke and feather where the fields are green  
From here to eternityCome woman on your own time  
Far, far, far from the virgin vine  
Rising out from the dead leaves  
Come back to me  
Oh, sing your favorite song  
Left to tears  
Dreams it goes and then onOh, sing your favorite song  
Left to tears  
Dreams it goes and then onThe bridge was burning  
The ground was said to come back around  
From dust to dust it goes on 'n' onBefore daybreak there was none  
And as it broke there was one  
And so the story goes on 'n' on
