Frozen Over

Captain Beyond

The lady say
I just can't wait
To see your face again
The lady say
Open the gate
The man came up to my door, I said
The lady say
I just can't wait
Close the door,
The lady say
Cant' you see
The peasants catching up to you
The lady say
His own way
You can't conceive a thing that you do
The lady say
Can't you see
That death is moving on the door
The lady say
I just can't wait
To see your face again
Close the door
Ah, your face is frozen over
Ah, it's not the one I knew, no no
Honey, your face is frozen over
Frozen as could be
Baby, your face is like a block of ice
