## Yeh, Yeh, Yeh

## **Melanie C**

Easier to let go and give in to yourself tonight Get on with the show

Expect me not to be so pure and give me one for the road Got a fever for sure Yeah, yeah, I'm on a mission

Yeah, yeah, if you're with me, raise your hands

Yeah, yeah, got no inhibitions

It's our decision, we're gonna have a good time Yeah, yeah, got a new religion

Yeah, yeah, gotta take me as I am

Yeah, yeah, I've got expectations

I've got a vacation, we're gonna have a good timeSo, when this thing is through

If you wanna be with me, I'll be lookin' for you

Feel the energy tonight, feelin' the groove

I feel it spinnin' around, yeahYeah, yeah, yeah, I'm on a mission

Yeah, yeah, if you're with me, raise your hands

Yeah, yeah, got no inhibitions

It's our decision, we're gonna have a good time Yeah, yeah, got a new religion

Yeah, yeah, gotta take me as I am

Yeah, yeah, I've got expectations

I've got a vacation, we're gonna have a good time

Gonna have a good timeI've got desire, I feel inspired, I wanna go much higher

And baby, I don't wanna come down

All I want is to be excited, so come on, get united

No more need to hide it

If you're really with me, then come on and raise your hands Yeah, yeah, I'm on a mission Yeah, yeah, yeah, if you're with me, raise your hands

Yeah, yeah, got no inhibitions

It's our decision, we're gonna have a good time Yeah, yeah, yeah, got a new religion

Yeah, yeah, gotta take me as I am

Yeah, yeah, I've got expectations

I've got a vacation, we're gonna have a good time

Gonna have a good time, gonna have a good time

Yeah, yeah, yeah
