

All Good Things

Nelly Furtado

Ah, ah, ahh...Honestly, what will become of me
Don't like reality
It's way too clear to me
But really life is dandy
We are what we don't see
Miss everything daydreamingFlames to dust
Lovers to friends
Why do all good things come to an endFlames to dust
Lovers to friends
Why do all good things come to an endCome to an end
Come to an
Why do all good things come to an endCome to an end
Come to an
Why do all good things come to an endTraveling, I only stop at exits
Wondering if I'll stay-tay
Young and restless
Living this way I stress less
I want to pull away when the dream dies
The pain sets in and I don't cry
I only feel gravity and I wonder whyFlames to dust
Lovers to friends
Why do all good things come to an endFlames to dust
Lovers to friends
Why do all good things come to an endCome to an end
Come to an
Why do all good things come to an endCome to an end
Come to an
Why do all good things come to an endAnd the dogs were whistling a new tune
Barking at the new moon
Hoping it would come soon
So that they could...Dogs were whistling a new tune
Barking at the new moon
Hoping it would come soon
Soon so that they could die
(Diee... Diee... Diee...)Flames to dust
Lovers to friends
Why do all good things come to an endFlames to dust
Lovers to friends
Why do all good things come to an endCome to an end

Come to an (end)
Why do all good things come to an end (end)Come to an end (end)
Come to an (end)
Why do all good things come to an (end)When the dogs were barking at the new moon
Whistling a new tune
Hoping it would come soonAnd the sun was wondering if it should stay away for a day
Til the feeling went away
And the sky was falling and the clouds were dropping
And the rainfall forgot how to bring salvation
The dogs were barking at the new moon
Whistling a new tune hoping it would come soon
So that they could die
