

Nevermore (Demo)

Rage

Her mother told her everyday, "Never lose control
Whatever then may come your way, a good girl takes it all"
And all the years, she held her peace and followed every rule
But then depression dried her heart and now she's screaming out
Nevermore, never we'll forget
Nevermore, one day you'll regret
He used to be a follower and did what he was told
Whatever they squeezed out of him, a good man bears it all
But one day he was in their way, did not fit in their plan
They tried to kick him from the boat and now he's screaming out
Nevermore, never we'll forget
Nevermore, one day you'll regret
Nevermore, never we'll forget, no
Never we'll forget, no
He used to be a follower and did what he was told
Whatever they squeezed out of him, a good man bears it all
Nevermore, never we'll forget
Nevermore, one day you'll regret
Nevermore, never evermore
Nevermore, never evermore
Nevermore, never evermore
Nevermore, never evermore
