

# I Am Not A Whore

## Lmfao

I am not a whore [x6]

But I like to do it

[Dance Break]

Most girls I meet are quite savage

Always tryin' to grab up on my package

The say I look yummy and they want a taste

But I'm a human not a sandwhich

Sometimes I feel like LL Cool J

I make love not random booty

But every girl I try to get to know

Ends up tryin' to do me

I said

I am not a whore (x2)

But I like to do it

[Dance Break]

Sometimes, I just wanna dance

Girl I know you like my style

But get your hand outta my pants

I am not a whore

(No, no, no)

I am not a whore

(I'm not your whore)

I am not a whore

(I just love the music)

I am not a whore

(But I like to do it)

[Dance Break]

I am not a whore [x4]

I am not a whore

(but I, but I, but I, but I, but I but I like to do it) [x3]

I am NOT a WHORE!
