

Island Of Life (with Ian Anderson)

Kitaro

She sees me
She understands
She helps
With all of my fears
When we stand together for life
Who will hold a child
In her arms She reaches out
So many friends
Who seek to live this world
When we stand together for life
She will hold a child
In her arms Without woman
Earth would fade and die
Without woman
Who am I
Who am I
On this Island of Faith
Who am I
On this Island of Life
You are the Sea
You are the Sky
You are the Ocean
I am the Earth
I am the Island of your Love She listens
She understands
For those searching for truth
We will stand together for life
We will hold a child
In our arms Without woman
Earth would fade and die
Without woman
Who am I
Who am I
On this Island of Faith
Who am I
On this Island of Life
You are the Sea
You are the Sky
You are the Ocean

I am the Earth
I am the Island of your LoveShe sees me
She understands
She helps
With all of my fears
When we stand together for life
She will hold a child
In her armsWithout woman
Earth would fade and die
Without woman
Who am I
Who am I
On this Island of Faith
Who am I
On this Island of Life
You are the Sea
You are the Sky
You are the Ocean
I am the Earth
I am the Island of your LoveYou are the Sea
You are the Sky
You are the Ocean
I am the Earth
I am the Island of your LoveDreams are the understanding of life
Dreams are the understanding of love
