

# Lowlife (living The Highlife)

## Kid Rock

I got my cat scratch fever eight track  
My best friends in a gun rack  
I'm a lowlife  
I owe everybody money  
I think racist jokes are funny  
I'm a lowlife  
I got a dirty mind, a gutter mouth  
I'm making time, I'm going out with your wife  
Cuz I'm a lowlife  
I'm a lowlife  
I got kids I never seen  
and there momma's seventeen  
I'm a lowlife  
I take strippers out to breakfast  
You can add that to my checklist  
I'm a lowlife  
Ahh the landlord called  
the rent is due  
I spent it all on a KISS tattoo  
I rock n roll all night  
Cuz I'm a lowlife  
I'm a lowlife  
Ya I'm a lowlife  
Living the highlife

(Guitar solo)

I'm watching porno on the tv  
wonderin' why she'd ever leave me  
I'm a lowlife  
The object of my affection  
asked the police for protection  
I'm a lowlife  
The romance is gone I'm doin' fine  
me and your mom had a real good time  
just last night  
(Guitar solo)  
Cuz I'm a lowlife  
I'm a lowlife  
I make black music for the white man

Keep cocaine upon my nightstand  
I'm a lowlife  
Ain't never hung out in the katskills  
But I've been to jail in nashville  
I'm a lowlife  
I've got a dirty mind, a gutter mouth, I'm making time, I'm going out with your wife  
I'm a lowlife  
I'm a lowlife  
I'm a lowlife  
Livin' the highlife
