Rise Above This (iTunes Originals Version)

Seether

Take the night and darken everything around me,
Call the clouds, and listen closely, I'm lost without youCall your name everyday
When I feel so helpless
I'm fallen down, but ill rise above this (rise above this)Hate your mind, regrets are better left unspoken
For all we know this void will grow
And everything's in vain, distressing you don't leave me open
Feels so right that I'll end this all before it gets meCall your name everyday, when I feel so helpless
I'm fallen down (fallen down) but I'll rise above this (rise above this)Call your name everyday when I seem so helpless
I'm fallen down (fallen down) but ill rise above this rise, rise above this nowI'll mend myself before it gets me
I'll mend myself before it gets me
I'll mend myself before it gets me
I'll mend myself before it gets meCall your name everyday
When I feel so helpless.
I'm fallen down (fallen down) but I'll rise above this (rise above this)
Forty eight ways to say that I'm feeling helpless, fallen down, and I'll?Rise above this, rise above this, rise above this rise above this,
Rise above this now
