Midnight

William Elliott Whitmore

Ven, pick that up, boy
Pitbull, Casely
I know you see me in your dreams
My mind's playin' tricks on me
I know you see me in your dreams
My mind's playin' tricks on me
I know you see me in your dreams
My mind's playin' tricks on me
I know you see me in your dreams
That's why
In the night, in the middle of the night
In the middle of the night you think about me
In the night, in the middle of the night
In the middle of the night, don't try to fight it
In the night, in the middle of the night
In the middle of the night, don't try to hide it
In the night, in the middle of the night
You think about me, girl
Yo me siento caliente
