

I Wish You Could Be Me

Korn

I am going insane, this shit is all of a pain
I cannot maintain as the shit gnaws at my brain
I wish you could be me and then as you would see
How tired I am and how you get the best of me I wish you could look at me while you're raping me
You are taking my life and selling it, tehehe
Why should I complain, at least it helps my pain
I am very cool now and there's gossip bout my fame I am going insane, this shit is all of a pain
I cannot maintain as the shit gnaws at my brain
Wish you could be me and then as you would see
How tired I am and how you get the best of me I wish you could look at me while you're raping me
I wish you could look at me while you're raping me
You fuckin' pussy
